Education

<i>Name of Institution</i>	<i>Qualification</i>	<i>Percentage</i>	<i>Year of passing</i>
Lakireddy Bali Reddy College of Engineering	Bachelor of Technology in AI&DS	73.5 %	Pursuing
Narayana Junior College	Intermediate	93.6 %	2023
Bhashyam EM High School	SSC	99.6 %	2021

Projects

Emotion-Based Music Recommendation System using Facial Recognition | Python, OpenCV, CNN, TensorFlow/Keras, NumPy *Mar 2026* 

- Developed an AI-driven system to detect real-time facial emotions (happy, sad, angry, neutral) using computer vision and deep learning techniques.
- Designed and trained a **Convolutional Neural Network (CNN)** model for emotion classification, enabling accurate mapping between facial expressions and emotional states.
- Implemented a **music recommendation engine** that dynamically suggests playlists based on detected emotions, location and time, enhancing personalized user experience.
- Documented the system in an **IEEE-style conference paper**, demonstrating methodology, model design, and experimental outcomes for real-world applications.

Personal Blog Website Development | HTML, CSS, JS *Sept 2025* 

- A responsive front-end website built for a client to host articles and media, showcasing content management skills
- Created a professional blog interface using HTML and CSS, ensuring a responsive design that maintained aesthetic quality across desktop and mobile browsers.
- Implemented client-side scripting with JavaScript, reducing page load time for interactive elements and enhancing the overall user experience.

Internships

- APSSDC Cloud Computing Virtual Internship *Jun 2025*

Skills

Programming Languages: Java and Python
Web Development: HTML and CSS
Database Management: SQL
Tools: Microsoft Office suite, VS code editor and Tableau

Certifications

- Data Analytics Job Simulation – **Deloitte**
- Oracle Cloud Infrastructure 2025 Generative AI Professional certification - **Oracle**
- The Joy Of Computing Using Python - **NPTEL**
- Java Basic – **Hackerrank**
